Home Economics Progresses In Latest Educational Equipment

By PATRICIA REESE
Tom-Tom Reporter

Progress has finally reached the Home Economics Department at East Central. Beginning last summer the wheels of progress were set in motion and are still rolling along.

The Home Economics Department has taken on an entirely new look. In the clothing section the floors have been carpeted and much new equipment has been added. The department now has new electric scissors, pinking shears and a new steam-dry iron. The pressing equipment has been remodeled and new chairs were added to the unit. The latest piece of equipment received by the department is a Singer sewing machine, which is the pride of the department. Another machine is expected to arrive this week.

The kitchen section consists of

four units. Each unit is color coded to make identification of its utensils easier. The colors are avocado green, burnt orange, gold and natural wood with blue. Since Christmas the kitchen has received a dishwasher and an upright freezer. Now dishes such as chilled deserts can be prepared ahead of time and stored until ready for use. Two new double sinks have been added with base cabinets built around them. All of the cabinets are now covered with formica covering.

Numerous other small items have been added to the kitchen also, such as an electric skillet, electric blender, a portable mixer, a pressure cooker, pie plates, corningware serving dishes and a canister set for each unit. To add to the new look, the kitchen floor and the closets have all been painted.

The Home Economics Depart-

ment really does seem to have everything, doesn't it? All of the equipment is there, but there aren't enough students using it. There are only 13 students enrolled in home economics classes; four sophomores, nine freshmen. If you know of anyone who is interested in home economics as a major field of study, encourage them to attend ECJC. The ECJC Home Economics Department is trying very hard to keep in step with the school motto. They are definitely moving "toward a bigger and better ECJC."

Freshman home economics student Michael Barham tries out the newest machine in the department.

The department has witnessed many improvements during the year in both the clothing and kitchen sections. One addition the Club of 1971-72 is especially proud of is the color-coded kitchens, because of the work which was begun by ourselves. With paint brush in hand (and often on ourselves), the dull drab white kitchen took on new life and became a more cheerful place in which to learn.

Enrollment Shows Increase Of 7%

By DAVID WRIGHT
Advertising Manager

Enrollment at East Central shows a 7 per cent increase over enrollment for the 1970-71 school term.

A total of 710 students are enrolled for the fall semester.

There are 410 freshmen, 198 sophomores, 7 parttime students, and 95 vocational students. A total of 59 students are enrolled in night programs.

Of the 710 students, 247 are female while 453 are male. The ratio of male to female is almost 2 to 1.

Of the total enrollment, 394 students are dormitory students.

Much Planning Evident In Homecoming Activities

By PATRICIA REESE
Tom-Tom Reporter

Shelby Harris, homecoming committee chairman says, "Much planning has gone into making this Homecoming one which those who are attending East Central, and for you who have returned to this campus, one to remember."

Prizes will be given to the float which best exhibits the school spirit. First prize is \$15, second prize is \$10, and third prize is \$5.

Change in Parade Route.

There has been a slight change in the parade route to be taken this year. The parade will line-up at 4:15 p.m. on campus. It will proceed from campus down Broad Street, turn right into Fourth Avenue then right again up Seventh Street. It will continue past the Post Office of Decatur and around Decatur High School. The parade will disburse upon reaching East Central's campus again.

This year, it is anticipated that more than 26 units will appear in the parade. This is a great opportunity for all organizations on campus to participate in an activity together with a common goal.

We would all like to see our parade a success; therefore, we must all work together to obtain that goal.

"Sew 'em up Warriors" was the theme of the Home Ec Club's float. The float consisted of a house with Betty Hollingsworth busily sewing at her machine in preparation for the oncoming Bulldogs. Kenny Mayes holding a bulldog, portrayed the Warriors and their hoped for victory. The club's efforts were rewarded by the judges with the honor of First place.

Bobbie Gaile Knight Reigns As East Central's

Most Beautiful Girl For 1972...

Bobbie Gaile Knight, freshman from Forest, was selected most beautiful girl for 1972 during the recent beauty pageant held at East Central Junior College.

Chosen as beauties are Cheryl Thornton, Suzanne LeCren, Janis Lee and Claire Sneed.

Miss Knight, the daughter of Mrs. Dean Knight and the late Mr. Knight, was chosen from among 23 young ladies vying for the title of East Central's most beautiful girl.

At Forest High School, Miss Knight was a class favorite for two years, a senior beauty, president of the Future Business Leaders of America, a member of the Future Homemakers of America and a member of the Y-Teens. A liberal arts major, Miss Knight was sponsored by the Wesley Foundation.

Carthage Beauties

Beauty Cheryl Thornton is the daughter of Mr. and Mrs. A. C. Thornton of Carthage. At ECJC Miss Thornton is a member of Phi Theta Kappa, honor society, and a member of the French Club. In high school Miss Thornton was active in the National Honor Society, and was a member of the scholastic team. A senior homecoming maid, she was also the recipient of the Crisco Award for best home economics student and was named valedictorian of her class. In addition, she served as sweetheart for the Future Farmers of America. Miss Thornton was sponsored by Phi Theta Kappa.

Eighteen-year-old Suzanne LeCren is the daughter of Mr. and Mrs. Ted LeCren of Carthage. Miss LeCren is a member of the

Music Educators National Conference. At EC, Miss LeCren is a member of the ECJC Players, The New Generation-singing group, and a member of the choir.

While in high school, Miss LeCren was a cheerleader for three years, was chosen as an alternate to Girls' State, and was selected to appear in the Outstanding High School Students of America. In addition, Miss LeCren was first alternate to Leake County's Junior Miss.

Union, Newton Beauties

Beauty Janis Lee is the daughter of Mr. and Mrs. John Edward Lee of Union. Miss Lee, a transfer student from Mississippi State University, was sponsored by the Art Club.

Freshman Claire Sneed is the eighteen-year-old daughter of Mr. and Mrs. W. E. Sneed of Newton. Miss Sneed was sponsored by the band.

In high school, Miss Sneed was sophomore homecoming maid, junior beauty, drum majorette. At ECJC, Miss Sneed is drum majorette of the ECJC Marching Band.

Top Ten

Others selected for the top ten are Cindy Sparks, sophomore from Forest, sponsored by the cheerleaders; Joyce Blount, freshman from Decatur, sponsored by the home economics club; Stephanie Cook, freshman from Carthage, sponsored by the Student Body Association; Renee Barrett, freshman from Philadelphia, sponsored by the Student Education Association; and Betty Link, sophomore from Sebastopol, sponsored by Newsome Hall.

Serving as mistress of ceremonies for the Beauties of A New Year pageant was Mrs. Ninna Whinnery of the Fashion Shoppe, Philadelphia.

The panel of judges was composed of Miss Linda Nicholson, chairman of the Health, Recreation and Physical Education Department and instructor of dance at Meridian Junior College; J. C. Anthony, representative of American Yearbook Company and R. M. Hendrick Supply, Jackson; and Terrell Tisdale, president of Jones County Junior College, Ellisville, Miss.

The contestants were judged on the basis of personal interviews with the judges and upon appearance in pantsuits and evening gowns during the pageant.

Contestants were first presented in pantsuits as they stepped from a champagne glass at a New Year's party. The judges then had the opportunity of seeing the 23 contestants in evening gowns. This time the set was changed to a Madri Gras Ball. The girls entered the ballroom through wrought iron gates kept by Randy Chamblee and Danny Collins. The stage was gaily festooned with serpentine, balloons and party horns. From the center of the room, a crystal chandelier was suspended and ferns adorned the columnar stands providing an elegant background for the "loveliest of the lovely."

Entertainment for the pageant was in the form of piano medleys by a former ECJC student, Dan Johnson. Background music was provided by Gail Fulton, organist. Stage and program designs were by Shelby Harris.

Home Economics Offers Classes In Clothing, Food Preparation

By LIBBY HORTON

Tom-Tom Reporter

East Central's Home Economics Department is headed by Mrs. Alice Pouncey. The classes offered to home economics majors are foods and clothing.

In the fall semester for freshmen students, a foods course is offered; and open to sophomores is a clothing course. For the spring semester the courses are exactly reversed.

In the first semester foods course, a general study of food, the preparation, and the nutritional value are all studied. Two labs per week provide time for experimentation. In the second semester foods, a more detailed study is undergone, such as, marketing, meal service, and table setting.

The freshman clothing course requires that six or more garments be sewn with certain requirements which must be met. Basic construction, how to dress, and selection of clothing are primary concerns. The sophomore clothing course is essentially a tailoring course. A more detailed study of fabric and its content is undertaken. Entertainment exercised must be met such as the Apple for a Teacher Tea given at the end of the year, receptions, or bridal showers.

The department sponsors a Home Economics Club for students with Home Economics as their major. This club is a student organization of the American Home Economics Association. Its main objective is to provide and promote professional development of college Home Economics students who are official members of the HEA.

There are twelve members in the present club. They have had numerous visitors to come to speak at their meetings. One major project was a trip to the Barn Theater at the Barnett Reservoir.

A memorial award was bought and presented by former club members in honor of the late Mrs. Ruth Hull, who taught Home Economics for 16 years. Mrs. Pouncey presented this award to Mrs. Sharon Rigby of Morton in the last assembly.
